

Funeral Services For Carl Lindquist

Carl Johan Lindquist passed away on January 13, 1957 at the age of 84 years at the Killam hospital.

Mr. Lindquist was born in Tongarosa, Orebrolan, Sweden, April 14, 1872. He came to Canada in 1912, homesteading south of Jarow in the Coal Springs district. He made his home there until recently, spending the last two years with his daughter in Sedgewick. He was united in marriage to Nora Lindquist on October 6, 1914. From this union there were seven children, three daughters dying in infancy. His wife predeceased him in 1936. He leaves to mourn his passing one daughter, Lillian (Mrs. Robt. McBride) of Sedgewick; three sons, Charlie of Whitehorse, Yukon, Holger of Winnipeg, and Harold of Ontario; one sister, Hilda in Sweden, one brother, Emil in Edmonton and five grandchildren.

The funeral was held on Jan. 16 in the United Church, Sedgewick, Rev. J. Frecht officiating. Interment was at the Sedgewick cemetery. Pallbearers were Art McCracken, Alex Farquharson, Ole Christensen, Art Anderson, Elmer Jacobs, and John McBride.

Until Mr. Lindquist left his home here he was a willing helper to his neighbors in stocking time. It is said few could keep up to him and do such an excellent job. The sympathy of the community is extended to his children in their bereavement.

DON FISCHER LEAVING FOR GERMANY

On Friday night January 25, a very pleasant evening was spent at the North Irma Community Hall in honor of F/O Donald Fischer.

"Doc" to most of us, is leaving on a four year mission to Germany.

Mr. J. Dunbar was hostess to a turkey supper for the Fischer family and friends earlier in the evening. It was a complete surprise to Don when the car in which he was riding pulled in to the north hall where many friends gathered to wish him "bon voyage."

In a short program, Mrs. McLean gave one of her original readings entitled "Donnie Gets The Wood In" followed by a song by Erling Nilsson, "Galloway Bay" and an encore "Now is the Hour." Mr. Ole Nissen then played a violin solo accompanied by Mrs. W. Parsons at the piano. This was followed by songs sung by Don's school, words by an unknown author.

In closing the program, Rev. Ingles spoke on behalf of all Don's friends and Miss Lorraine Smallwood presented the guest of honor with a signed ring and a purse, and he replied in his usual happy manner.

Later, lunch was served and dancing was continued until the small hours of the morning.

Weekly Inspirational Corner

(Sponsored by an Irma Times reader)

Then said Jesus unto His disciples, if any man will come after me, let him deny himself and take up his cross and follow me.

For whosoever will save his life shall lose it; and whosoever will lose his life for my sake shall find it.

For what is a man profited, if he shall gain the whole world, and lose his own soul? Or what shall a man give in exchange for his soul?

For the Son of Man shall come in the glory of His Father with His angels, and then He shall reward every man according to his works. Matt. 16: 24-27.

Interesting Reports At United Church Annual Meeting

The annual congregational meeting of the Irma United Church was held on Sunday evening, January 27.

This meeting opened with the singing of three or four hymns followed by an inspirational address by the Rev. H. W. Ingles. Reports from the following organizations were given.

The WMS report read by Mrs. Riley told of the good work done in sending used clothing, blankets and baby foods to Korean relief beside the inspirational books read and devotional periods which have been a part of every meeting.

Mrs. L. Meier gave the report for the Evening Group of the W.A. This very active group has most willingly given time and services to so many things for our church during the past year we can only say it is just amazing how much they have accomplished in every department of church work.

The Afternoon Group of the W.A. report was read by Mrs. R. C. McFarland. This is another group on which the church can always depend with confidence. These ladies too, accomplish near miracles with their time and energy.

The CGIT report for the senior group given by Mrs. Ingles told of a year that has been perhaps the most successful in the history of CGIT at Irma. The group had attained chevron standing with a balanced program of study, play and worship beside practical help given to individuals and other organizations.

There was a good report of the intermediate group which is now under the leadership of Mrs. Alan Larson but for most of the past year was led by Mrs. S. Ingles. This was read by Shirley Lovig. These younger girls are following a similar program to their older sisters and are most enthusiastic.

A very fine and well prepared report was given by Mrs. Evin Prosser in regard to the Irma Sunday School work. Sunday school was held 53 Sundays in 1956 with an average attendance of 77.5 and average collection of \$5.28.

The treasurer's report was read by Mrs. Riley. This report showed \$600.00 had been given to Missionary and Maintenance work. However, the receipts for the year were less than the disbursements. Mr. Riley then moving a vote of thanks to Mr. A. C. Chatter whose work of secretary has been so ably performed.

The minister's report was most interesting and began on a note of thanksgiving for the many blessings of the past year. Mr. Ingles has been holding meetings at Jarow during the winter months. Albert school and Paschendale have both been operating very well the past season with good attendance and interest shown. The adult class at Albert has been especially good. This class has been meeting every Sunday under the alternate leadership of Rev. H. W. Ingles and Mrs. C. L. Currie.

A good number have joined our church during the past year. Mr. Ingles mentioned the study book periods we enjoyed last year and hopes to again have prayer and bible study group meetings commencing next Sunday evening.

The minister expressed the pleasure he had had in working here with the Irma friends and members and felt that the church officers and members had made a very worthwhile contribution. Special thanks were given to the choir, the choir leader Mrs. Simmerman, Mrs. Whidden pianist, and also Mrs. C. L. Currie, Mrs. E. Jones who had helped with the Albert services and Mrs. S. Othman who assisted at Paschendale.

The building committee report was given by Mr. F. T. Hill and considerable alterations have been done on the manse. Sewer and water have been installed there and a modern bath-

Home Economist Newsnotes

—Your District Home Economist, Edna M. Craig.

Hello Homemakers: Are you planning to recover your kitchen floor? If you are, you will no doubt be puzzled by the various types of coverings. Here are a few hints of floor coverings which you might find helpful.

What To Look For The first thing we homemakers think about is "Is it attractive?" Then, "Is it attractive?" "Is it durable?" "Is it comfortable to work on and live with?"

The floor covering that is picked out is the one that says "yes" to all the above considerations and also the one which meets the pocket book.

Before deciding on the floor covering, decide what traffic it is expected to bear, then choose the material most suited to that traffic.

For kitchens, tile is becoming more and more popular. There are a variety of tiles available. This variety often leads to confusion so here are some descriptions to guide you in your selection.

Linoleum—is available in tile or in continuous sheets. It is made of ground cork, linseed oil and various chemicals, mixed together and pressed onto a backing of jute burlap. The thicker the linoleum the longer it wears. Some of the designs are printed on the surface; some are inlaid. The inlaid design will last longer and look brighter or after long use. Linoleum is relatively inexpensive.

Rubber—is available in tile covering. It is extremely resilient, quiet and comfortable. It is expensive but it is also durable. Most of the disadvantages have been overcome, so at present it is quite resistant to injury by grease, alkali, sun and heat.

Asphalt—is inexpensive. It is a popular type of tile and is durable. It is one of the few types which can be laid over concrete.

Plastic—usually called vinyl tile, it is good looking and long lasting. It is a little more expensive than asphalt or linoleum.

If you would like more information on floor coverings, send for our booklet on "Flatter Your Floors" or pick it up next time you are in Wainwright. These pamphlets are also available from the Dept. of Agriculture office in Vermilion.

Glen-Coa Gleanings

Congratulations to Miss Lily MacKay who has achieved the first important step in her nursing career, that of getting her nurse's cap. Her mother, Mrs. Withall, and her brother Francis accompanied Mr. and Mrs. Pond to Edmonton last Saturday to attend the ceremony.

Mr. Sigmund Gulbraia is home again for a little while.

The flu has been making its rounds in our district and several have fallen victims to its onslaught. We trust those who have been under the weather will soon be feeling fine again. Mr. E. R. Erickson has left for the west coast to spend the remaining winter months.

Card of Thanks

The Irma District Board of Trade wish to thank the ladies of the Order of the Royal Purple for their kindness in paying half the expenses of children's Santa Day in Irma on December 22, 1956. Cliff Smallwood, Secretary, Irma Board of Trade.

Card of Thanks

I wish to thank everyone who visited me in hospital, also to the many friends who sent notes and cards. They were much appreciated.

Mrs. David Whidden, Jarow.

room has been added.

A vote of thanks was tendered to Mr. and Mrs. Ingles by the meeting in general.

A potluck lunch was enjoyed later in the basement of the church.

WITH THE District Agriculturist

By J. S. Duncan

Fertilizers For Crop Production

On many of the farms in this district, fertilizers, properly used, can increase yields. This applies to hay and pasture as well as grain. Any time that the use of fertilizer will give enough increase in yield to cover more than the cost of fertilizer and the value of the labour in applying it, it is also giving increased profits to the farm. In these times of rising costs and reducing incomes any way to increase returns should be given careful thought.

There is a booklet "Fertilizers in Alberta" available at my office which contains a lot of good information. Another good idea is to have a sample of the soil from your farm analyzed to find out what it needs. A soil analysis, together with a few trials of different rates of fertilizer will show what is the most profitable. Information regarding soil analysis can be obtained from this office or from the Soil and Feed Testing Laboratory, University of Alberta.

Correction—Calgary Seed Fair

The first prize lists which were sent out did not show any classes for Oats. This was a mistake and the Oat classes and prize money are the same as those for Wheat and Barley.

Anyone intending to enter seed must notify C. A. Weir, Supervisor of Exhibits, 1420 Third Street, North West, Calgary, before February 20. The seed sample will be picked up from the farm by some official before March 1. For further information write to Mr. Weir or your District Agriculturist.

Poultry Problems

The two most common complaints seem to be that hens are not laying or that they are picking at each other. In many cases the causes are the same, overcrowding, lack of ventilation and an unbalanced ration. There should be 3 1/2 to 4 square feet of floor space per bird, and 5 to 6 inches of feeder space per bird.

Fresh, clean water should always be available. There should be enough ventilation to keep the litter dry. The ration should be adequate and in the winter should include a feeding oil fortified with Vitamins A and D.

CHURCH SERVICES

ST. MARY'S CHURCH NOTES

There will be Celebration of Holy Communion in St. Mary's church on Sunday, February 3 at 2 p.m.

We are very pleased to announce a Sunday School has been started by the Rev. J. Flagler immediately after our regular services. Any children are cordially invited to attend.

UNITED CHURCH

Sunday, February 3
Irma Sunday School 10:30
Worship Service 11:30 a.m.
Special Youth Service.
Subject: A Venture of Faith.
Young people are especially invited to attend.
H. W. Ingles, Minister.

THE ALLIANCE CHURCH

Friday, February 1, 8 p.m. the motion sound film "Sailors of the Queen."
Sunday, February 3, 10:30 a.m. Sunday School.
11:30 a.m. "Revelation." Communion and reception of church members.

Tuesday 8 p.m. the Cottage Prayer meeting.
Friday, February 2, the film "Diggers of the Deep."

Coming for Sunday, February 17, 8 p.m. the great film in technicolor "Angel in Ebony."
Come, let us worship the Lord together.
Rev. L. D. Sheardown, pastor.

4H Wheat Club Hold Organization Meeting January 28

The Irma 4H Wheat Club held its annual organization meeting in the Legion Hall on Monday evening, January 28 with eleven members present.

The slate of officers for 1957 is as follows:

President, Johnny Fleming.
Vice-President, Nathan Fuder.
Sec.-Treas., Warren Fuder.
Press reporter, Hugh Fleming.

A vote of thanks was tendered the past president, Keith Currie, who, having reached the venerable age of 21, must now retire from active service.

The Wheat Club under the good leadership of Mr. Ole Nissen is looking forward to a pleasant and profitable year's work. It is hoped to have a joint meeting with the 4H Club about the second week of February. A special speaker will be arranged for and date of this meeting will be set shortly.

Northern Nuggets

The January meeting of the Triangle FUA was held on Monday the 21st at Albert. After the regular business the members enjoyed a game of 500. There were 6 tables. Mrs. P. Keller and Mr. Clair Lukens won top honors and Mr. P. Keller and Mrs. L. Savage the consolation. The next meeting will be held on February 18 and this will be a tribute night.

F/O Donald Fischer left on Wednesday for Edmonton, from there he will fly to Montreal and then on to Germany. Doc expects to be away four years and we wish him every success in his big adventure.

Mrs. Jim Clisdell enjoyed a week in Wainwright with her daughter and son-in-law, Mr. and Mrs. V. Marchand.

After a long holiday with her family, Mrs. Edna Smith returned to Calgary this week to resume her work there.

SHOWER HONORS RECENT BRIDE

Mrs. Art Pierce and Mrs. Erle Prior were hostesses at the latter's home at a miscellaneous shower held in honor of Mrs. Don Stewart (nee Carol Lambert) now of Wainwright.

Thirty ladies turned out in spite of the bitter cold on Wednesday afternoon, January 23.

The afternoon was spent with contents and visiting. Mrs. Pierce asked the bride and her mother to be seated at the table. Then Miss Verla Prior made the presentation and Miss Yvonne and Miss Isabel Prior assisted Carol in opening many lovely and useful gifts.

The afternoon was brought to a close with a delicious lunch served by the ladies.

EASTERLY ECHOES

Congratulations to Mr. and Mrs. Hugh Elliott on the arrival of twin daughters January 25.

An enjoyable evening was spent at Mr. and Mrs. Eldon Fenton's 500 party. Ladies and guests first prizes went to Mrs. Dempsey and Jack Savard. Ladies and guests consolation to Mrs. M. Enger and Bill Dootson.

The regular monthly meeting of the Roseberry FUA was held at the home of Jax Savard. There will be a dance Friday, February 8 at Roseberry Hall. Watch for posters.

Birthday greetings to one of our senior subscribers, Mrs. Joshua Holt who celebrates Feb. 2.

IRMA LEGION

The annual meeting and election of officers for the coming year will be held in the Legion Hall at 8:30 p.m. on Tuesday, February 5. Will all members and veterans make a little extra effort to attend this meeting.
—Irma Branch Canadian Legion.

CANADIAN NATIONAL

FEBRUARY FORECAST FOR ALBERTA

Cold Arctic air will make its appearance during the first week of the month, when even daytime temperatures will not rise above the zero value on at least two or three days. This early month cold spell will be accompanied by several days of snowfall. Although not warm, there will be a trend toward rising temperatures as mid-month approaches, but this will be halted by a minor stormy period around the 12th. Temperatures will tend to cluster around the normal values during mid-month and continue in that pattern until around the 25th. Around that time storminess is expected and will be followed by cold air moving southward from the Arctic region. The last few days of February will once again return to the cold temperature values which ushered in the month. A minor stormy interval around mid-month will keep temperature readings from skyrocketing to the warm "chinkook" of the early fall.—Country Guide.

In area Vancouver Island is nearly six times the size of Prince Edward Island.

City Rink Take Top Honors in 'Frig Spiel

The LETTER BOX

(The News is not responsible for opinions or statements not necessarily endorsed them made by correspondents under this heading.)

(From The Viking News)

HOME OWNERS' PROTECTIVE TAX

WHEREAS, the present tax on agricultural lands is unjust, it should be abolished—same to apply to urban residential homes with gardens, potato patch, etc. It should be replaced, also financed entirely out of Alberta provincial revenue now collected, but spent differently, by distributing sufficiently to local councillors and secretaries in each municipality, also officials and secretaries in each school division.

The provincial government should secure additional revenue from the dominion government for municipal financing.

The Alberta government collected \$9,786,038.69 for car and truck licenses, also \$20,256,251.89 for gas and fuel oil tax in 1956. At least 75 percent of that revenue should go direct to municipalities to be spent on streets and roads. Since timber, oil, gas, minerals, gold silver, salt, coal, tar sands, etc., require heavy power — driven machinery on roads at least 75 percent of all such provincial sales should go to municipalities — Alberta oil revenue around \$100,000,000 in 1956.

Revenue collected in fines and penalties is partly from speeders and overlanders on roads. At least 75 percent of that \$655,367.82 yearly revenue should go to municipalities.

Since liquor and alcoholic beverages are hauled over roads, at least 75 percent of \$15,821,036.03 yearly net profit should go to municipalities. Game parties for birds and mammals, fish, etc., use roads. Therefore, 75 percent of all such revenue should go to municipalities—fish royalty \$23,341; fishing licenses \$110,530.70; fur tax, less commission \$124,907.31; game licenses \$367,150.83; March 1956 year.

If the Alberta government need additional revenue they could secure same from additional tax on tobacco, cigarettes, etc., race track betting, excessive insurance profits, finance companies charging over 2 percent excessive urban profit including machinery, cars, trucks, buses, trailers, etc., stocks, bonds and black board transactions, etc., all government salaries over \$8,000 including expenses.

The above is a proposed tax structure skeleton for the consideration of any organization—religious or otherwise—municipal or school officials, newspapers. ALSO ESPECIALLY RATEPAYERS, agreeing to any part or parts of same; adding your disagreements and recommendations to the above to replace the unjust tax; then asking your local MLA to press the Alberta government to AB-

Glenn Gray's Granite Club Curlers Defeat Vegreville Rink 12-9

Viking's eighth annual 'Frig Bonspiel had a dramatic ending last Saturday evening when the Glenn Gray rink from Edmonton met the Gehring rink from Vegreville, skipped by Don Greene, last year's top winners, in the finals of the four-day spiel that saw some excellent curling in all events. When the 'Grays' and the 'Greens' met to decide who was who, the waiting room was filled and the walks lined with spectators to see these two undefeated rinks put on a battle that brought applause for good shots made by both sides.

Both Gray and Greene went into the final game undefeated. They qualified for the playoff out of the first event, then swept through their double knockout divisions to qualify for the final bracket.

Gray was ahead 6-2 after four ends, but Greene came back with successive threes to go out in front. Gray's rink steadied down and scored pairs on the seventh, eighth and tenth, to regain a good lead over Greene's men who never caught up to the power-laden rink from the Edmonton Granite Curling Club.

Score by ends:

Gray 120 300 220 20x—12

Greene 002 033 000 01x—9

The qualifying rinks were: Glenn Gray, M. Runyon of Edmonton; Gehring and Cherot of Vegreville; Gervais of St. Albert; Dobry, Quinton and Runyon of Viking.

Other games that had real spectator interest was Saturday's semi-finals, Gray took Leon Cherot of Vegreville and Hector Gervais of St. Albert into camp, while Greene won over Dobry and Quinton of Viking. Gray and Gervais met on three occasions in the spiel, with Gray taking the marbles.

Playing with the Gervais rink was Hal Fors, a former resident. A lot of fans came from Vegreville to support the Greene rink in their final effort to win the 'Frig spiel two in a row. Many other spectators came from nearby towns to see the renowned rinks in action.

Glenn Gray was ably supported by his third man Bill Graham, Herb Olson second, and Loren Morris lead. Greene had the same rink as last year, Armand Mercier third, Bill Gehring second and Paul Korba lead.

The Grays went home with the four electric clothes dryers, the Greens with four Cozy bridge sets; and all qualifying rinks received choice of gifts or ladies luggage, all very fine prizes. Out of eleven local rinks

entered, three qualified, which was no mean showing.

Miss Bessie Pratt held the lucky ticket on the electric clothes dryer raffled by the curling club. Mr. Alvin Golka, in a neat speech, thanked the visiting rinks and all who had helped in making the eighth annual event a success.

Two popular visiting rinks were the Rutian rink of Provost with Eric Lefsrud throwing second rocks and the Ray Young rink of Camrose. Incidentally, Ray Young, one of the smoothest curlers in the spiel, is Chinese, and has developed a delivery that is a picture to see.

The lunch bar under management of Mrs. Thiel, were on the job, morning, night and noon, feeding the multitude that crowded the waiting room during the four days and nights of the spiel.

The committee in charge, ticket sellers and all who contributed in any way towards the success of the spiel certainly have the thanks of the curling club for their services.

It was a great week in town. Restaurants, hotel and business places, and movies report good attendance. Let's keep it as an annual winter festival. The third week in January seems to be the appropriate time, and the dates should be announced in the early fall months, in our opinion.

OLISH THE UNJUST LAND TAX IN 1957.

Failing the above, all Alberta ratepayers possible consider nominating candidates in each Alberta riding prior to the next provincial election to the formation of a Home Owners' Protective Government.

Henry Kelley, Originator, Small Rancher, Millet, Alta.

YOUR ALBERTA

THERE ARE ALL SORTS of services offered by your provincial government that are not common knowledge among the people for whom they are intended. For example, the government is in the annuity business, with a branch of the provincial treasurer's department handling their sale. A rate of 3½ percent is provided for, for a maximum annuity of \$1,500 at age 60.

ANOTHER LITTLE KNOWN SERVICE comes from those offered by the Department of Education through its Vocational Training Division. This branch offers rehabilitation training to persons suffering from a handicap. They become self supporting and self respecting and are thus removed from charity rolls. The department for example, has helped a widowed mother learn how to type and so become able to support her family; helped police victims according to their capabilities; and even helped a person lacking self confidence to regain it, and be able to hold a job and maintain her place in society.

Lethbridge.

THE ISAAC WALTONS of the province are inspecting their lines and lures just about now, impatient at winter's tardiness in departing. A branch of the government, the Fisheries Branch of the department of Lands and Forests, is also busy preparing for the preparing fishermen. Computations are under way estimating the number of young fish that will be needed in the regular restocking program, and the places old and new, in which they may be placed to provide greater sport for the fishermen.

TALKING OF FISHING, don't forget the importance of that sport in the tourist industry. And the importance of all other aspects of your government's activities, in encouraging people to visit here and return again year after year. That's an important reason why the government assists in training restaurant help to aid in making a good impression on resident and visitor alike. It's done through the Institute of Technology and Art in Calgary.

MOTORISTS using the province's highways will soon see new types of signs along the roads' edges. They will be signs identifying towns and places, and there will also be smaller name signs and highway marker signs. More colorful than the present name plates, they will be reflective and show well at night as well as during the daytime.

WITH ALL THE HOUSEBUILDING going on in Alberta, there is considerable appreciation by those involved in changing land ownership for the system of land registration there is in Alberta. The Land Titles Office, part of the Attorney General's Department, operate under what is known as the "Torrens system of land registration". This system stipulates that no ownership of land is considered to be legal until it is recorded at the Land Titles Office, and once it is so registered, no one else may dispute it; saving much in lawsuits and other difficulties.

THE EFFORTS OF the Alberta Government Telephone to switch all phone services in the province to the new dial system is continuing apace. Fort Saskatchewan is the most recent community to make the change over. It takes much time and planning to make the change and to order equipment far enough ahead to have delivery when material is needed. In time, all the telephones will be on a dial system, with numbers of a type that will permit them to be linked with the international trunk system.

BE SEEING YOU SOON!

Jehovah Witnesses Meet at Holden

A capacity audience heard Mr. C. E. Hepworth, Watchtower representative from the Toronto office of the Watch Tower Bible and Tract Society discuss the question, "What Will Armageddon Mean For You?" at the Holden Community Hall, Sunday afternoon, January 29.

Mr. Hepworth, featured speaker of the three day training program for Jehovah's witnesses, declared that, while both leaders and people talk of Armageddon as impending, none realize its full significance, none see any hope of survival. The speaker said, "The Bible is the only book on earth that tells us about the war of Armageddon, and about God's New World to follow."

Delegates attending the convention were from such places as Wainwright, Provost, Camrose, Edmonton, Vegreville, Tofield, Daysland and the area immediately surrounding Holden.

A very special and enjoyable feature of the convention was presented on Saturday evening, January 19, attended by 208. An hour-long color film, "The Happiness of the New World Society" was run.

On Saturday afternoon, 5 new ministers were baptized, a symbol of their dedication to Jehovah God's will.

Next week-end a convention has been arranged for Andrew.

E.A.H.L. Schedule

Saturday, February 2
Vegreville at Viking.
Sunday, February 3

TRY A TIMES WANT AD

LOCAL COWBOY AT DENVER, COL. RODEO

(From The Viking News)

We are in receipt of a copy of the Rodeo Sports News, official publication of the rodeo cowboys association of the U.S., which gives the results of rodeos held in the States during 1966.

George Myren is attending the Denver rodeo that started on January 11. No results are out yet of that event but there are some of he Chicago and Minot, North Dakota, rodeos held last October, in which George took part.

At Chicago, October 5-14, in the saddle bronc riding events, George got money in the 1st, 3rd, 4th, 7, 8th, 9th, 10th, 12th and 13 go-round, and average for the day. In bareback riding, 1st, 4th, 8th, 9th, 10th, 12th, 13th go-round and also good average.

At Minot, North Dakota, in saddle bronc riding, he won money in 1st, 3rd, 4th and held best ground average. In bareback riding, 1st go-round and 2nd standing in average.

If he does well at Denver, he expects to take in other rodeos being held in Arizona and Texas before returning home.

EDMONTON SETS CAR BONSPIEL

EDMONTON—A four-car bonspiel open to anyone who has not previously won a car curling will be held here March 25-30 by the Associated Commercial Travellers, it was announced on Saturday.

The organization said 16 rinks would qualify for a double-draw knockout final to the event.

The ACT said 64 rinks had indicated they would enter the bonspiel in reply to a questionnaire.

Ken Hilliker of Viking is the drawman for the spiel.

News Report From Edmonton

By Ken Mason

EDMONTON — The Alberta highways department this year will embark on an entirely new approach to the licensing of drivers which the problem of keeping a check on their performance.

Starting with the new fiscal year April 1, motorists will pay \$5 for their driving licences and the licences will be good for five years. Tied in with this, the department has started an individual file for every licensed driver to maintain a continuing tab on accidents, charges and convictions.

It will be several years before the results of the new program can be fully assessed, but it appears to have general public support and, from details released so far, looks like a better and more efficient way to handle licensing.

Details of the program were announced last week by Highway Minister Gordon Taylor, at a conference attended by representatives of organizations interested in motor vehicle administration and traffic safety.

According to plan, the new driving licence will be effective from the driver's birthday. Any driver with a birthday before March 31—the end of the fiscal year—will have to buy a new licence when they go on sale in March and April.

Those with birthdays between March 31 and December 31 will be able to wait to buy their licences. For example, anyone with a birthday in August will buy his new licence in August. The old licence will remain in force until the driver's birthday arrives.

This way, there will be no more annual rush for licences during March and April. Instead, they will be sold a few at a time every month as motorists become a year older. Then, presumably, there will be few sold until 1969, except to persons who reach the legal driving age of 16 years between now and then.

In addition, there will be four classifications of drivers under the new scheme. Class A drivers will be able to drive any vehicle on the road, including buses, school buses and taxis. Tests will be stiffer and medical certificates will be required.

Holders of class B licences will be permitted to drive anything but buses, school buses and taxis. Class C has been left open for future reclassification, while class D drivers will be permitted to operate private cars and public service and commercial vehicles with a gross weight of less than 6,000 pounds.

One big advantage of the five-year system is that it will permit the introduction of regular testing for all drivers. Highways department officials are convinced the trend is definitely toward a universal testing program, and a test every five years is considered about right.

The individual file system will help with the testing program, too. Its main function will be to provide statistics and keep a constant check on the performance of drivers. To facilitate the work, electronic sorting machines

ery and punch card equipment have been installed in the Highway Building.

Using perforated cards carrying information on drivers, the machines can analyze the data and come up with statistics in minutes, while it would take clerks hours to do the job manually.

With the new system, the department hopes to single out the drivers who are causing the majority of accidents. Their licences won't necessarily be suspended, but there will be an attempt to find the faults and correct them. If, for example, the machines find a certain age group involved in a large number of accidents, all drivers in that age group might be called in for driving tests.

Mr. Taylor announced all the details at his conference, and then listened to suggestions from delegates. It made a good impression on those present, and convinced them the minister wanted an expression of public opinion before introducing any major changes. Wonder why some other cabinet ministers don't take a lesson in public relations from Mr. Taylor?

The highways minister also had good news for those Alberta towns which are being bypassed and threatened with obscurity as new four-lane highways are built.

New road signs will be erected to point out access roads leading to towns off the highway. Besides giving the name of the town and the distance, the signs will inform tourists that there is accommodation for them.

As Mr. Taylor pointed out, towns which were once in the main highway have built up facilities for tourists over the years and a serious economic problem arises when the new roads don't carry travellers through the towns.

Another new type of sign, to be erected mainly at junctions, will tell the tourist about special attractions. For example, a highway leading from a main artery to a lake resort would have a sign bearing the name of the resort and the words "Resort Centre," along with the distance. If the road leads to an area noted for hunting and fishing, the sign will say so.

This idea also went over well at Mr. Taylor's conference, and it should make travel in the province more pleasant for tourists.

Premier Manning last week confirmed our forecast that legislation likely will be introduced during the forthcoming session to impose a provincial industrial tax. He said it will be aimed mainly at heavy industry, and the revenue will be distributed among municipalities—especially those which have problems caused by the development of industry.

Population of Alaska is about five times as great as the combined populations of Canada's Yukon and Northwest Territories.

In a year Canadians spend about twice as much in taxes as they spend in all food stores and restaurants.

MD Wainwright Council Meeting

The Council of the MD of Wainwright No. 61 met in the Council room of the MD at Wainwright on Thursday, January 16.

The Returning Officer advised that Mr. J. A. Smallwood had been elected by acclamation at a nomination meeting held at Irma on Saturday, December 22, 1966, that Mr. Smallwood had taken the Oath of Office and was entitled to sit as Councillor for Division 6 of the MD until the 2nd day of April, 1969.

Councillors: Dallyn, Garrioch, Patterson, Plaxton, Smallwood and Archibald present. (Mr. Castle absent through sickness). Also present Mr. Heston of the Wainwright School Division No. 32 and Mr. H. A. Ruste, M.L.A.

Reeve Archibald in the chair. Patterson—that the report of the R.O. be accepted. Cd.

Dallyn—that the accounts as recommended by the Finance Committee and subsequent accounts received be passed and paid. Cd.

Archibald—that the statement of Receipts and Disbursements for month ending December 31, 1966, be accepted as presented and incorporated in the minutes. Cd.

Administration and Taxation

Mr. E. A. Geddes of the firm of Geddes Knobel and Denton, Auditors for the MD interviewed the Council and discussed several matters relevant to the Annual Audit of the books of the District.

Request of Mr. H. A. Ruste, M.L.A. for figures on the past 5 years tax arrears and number of parcels under tax recovery for the same period be supplied by the Secretary. Cd.

Protection to Persons and Property

Patterson—that the expenditure for boring a water well at the Clear Lake area to be approved as provided for in Section 6 of the agreement between the MD of Wainwright No. 61 and Herbert C. Hackford dated May 10, 1966. Cd.

Grants, Relief and Health

Secretary reported on the Executive meeting of the Wainwright Chamber of Commerce relevant to the question of a Home for Aged or Infirmed persons advising that a brief would be submitted by that body to the Annual Meeting of the MD of Wainwright Feb. 16, 1967.

Agricultural Service Board

Mr. R. Congdon advised the Council that approximately 4200 calves had been vaccinated under Bings program or about two-thirds complete, that slides of local interest are now being used at FUA meetings, and that a local conference for District Agriculturists and Field Supervisors had now been set up.

Public Works

Garrioch—that this Council request the Minister of Highways to consider the continuation of Highway 14 to the East boundary of the Province in the 1967 Highway building allocations.

Patterson—that this Council request the Minister of Highways to consider the building of Highway 41 from Wainwright South to Highway 13 in 1967. Cd.

Patterson—that the Secretary proceed to get approval from the Board of Transport Commissioners for the widening of railway crossing directly East of Wainwright. Cd.

Garrioch—that notwithstanding prior arrangements, James Zajic shall be foreman of all Public Works and shall supervise all work of grader and machine employees. Cd.

Plaxton—that the paysheets be passed and paid when signed by the Councillor concerned. Garrioch—adjourn. Cd.

ALBERTA ELKS BONSPIEL DATES

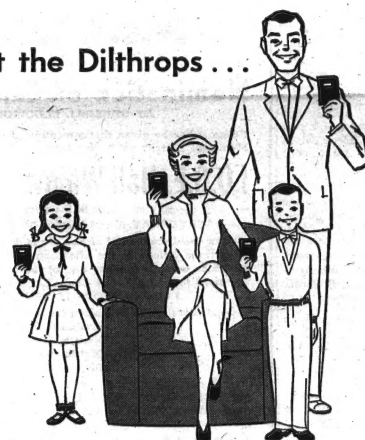

Alberta Elks' Association have scheduled the dates for the ninth annual bonspiel. The spiel will be held in Calgary March 27-30.

Safeway Trophy will again be the top event with four TV sets going to the winners. A total of eight trophies will be up for competition.

Last year's grand aggregate winner, Roy Van Housen—who is currently participating in the city Console playoffs—will be back to defend his laurels.

Fourteen sheets of artificial ice at Victoria Arena will be used and officials are looking for a record entry. Deadline for entries is March 25.

Meet the Diltrops...

UP-TO-DATE FAMILY...

with a Good Old-Fashioned Recipe!

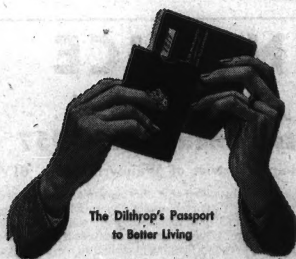

The Diltrops are a modern-day family who have rediscovered a recipe for better living. It's not a new recipe by any means—it has been tried and tested for years. Here are the ingredients:

- a B of M Savings Account
- a Definite Goal to Save for
- a Dash of Determination

There's nothing more—just add deposits regularly.

Mom and Dad can point to the results... that suit she's wearing... that easy chair... the sense of thrift and self-reliance in Jimmy and Carol gained by operating their own accounts at the B of M. There's fun, they say, in saving together and in sharing the thrills of realizing their savings goals.

Why don't you open accounts for members of your family today? You'll find a warm welcome awaits you at the B of M.

Cattle and Pigs Destroyed in Farm Fire

(From The Viking News)

A barn at the P. E. Rosen farm, one mile east of town, was totally destroyed by fire early Friday morning. Eight head of cattle and twenty-two pigs perished in the blaze. A nearby building housing several head of milk cows was scorched but saved.

The alarm was turned in by Mrs. Alan McIntyre, nurse on duty at the Viking hospital when she saw a blaze at the farm about 5:30 a.m. Don Place, fire chief, was notified, who hurried out to the farm but the fire by that time had got beyond control and the barn was a blazing inferno. The Rosen family was not aware of the fire until notified by Mr. Place. It is presumed to have started from an overheated oil brooder stove in the barn. No insurance was carried on the barn or contents, which is quite a heavy loss.

If you have anything to sell or trade, try a Times Want Ad. It will bring results.

Echo-Rodino

L. Prosser, V. Shipley and A. Beckett were in the city Monday. In spite of severely cold weather, a great many farmers attended the usually fine John Deere show. This year the exceptionally interesting demonstrations and features were climaxed again by coffee and doughnuts served by Wm Pobuda. Mrs. Lucy Tessman was lucky lady No. 2 and was given a door prize.

Mr. and Mrs. Harry Vandervate celebrated their 48th anniversary on January 24. A number of neighbors dropped in on them to help them celebrate.

About one out of three families in Canada are childless.

FOR SALE—milk cows, one to freshen any time. Apply Geo. Theroux, Jarrow. 1p

FOR SALE — Yorkshire boar about 350 lbs.—T. F. Hill. 1p

FOR SALE — Argentine brand Rape seed, 10c per lb. cleaned, germination test 98 percent; also 1000 bales of prairie wool hay, and 1000 bales of straw. Will trade for pigs or cattle, or cash. Apply G. Brissard, or phone 588, Viking. 25-5p

FOR SALE—truck frame with rear axle and tires, also Ferguson oat huller.—H. A. Oldham. 25-1p

Kinsella News

Mr. and Mrs. Wylie Brown left on Wednesday the 23rd on a trip to the U.S. On leaving they were on their way to Portland, Oregon.

Mrs. J. Beschell has also left for the States where she will spend a holiday with her mother in South Dakota.

Mrs. R. Stevens had as weekend guests Mr. and Mrs. S. Stevens and baby daughter, Mrs. B. Lariviere of Wetaskiwin and Mr. George Stevens of Sedgewick. Mr. and Mrs. W. D. Johnston and Mr. and Mrs. O. Erickson were curling in the city at the weekend.

Mrs. B. C. Carpenter was in the city during last week to attend the ceremony of "Capping the Young Student Nurses" at the University hospital when Miss Patricia Carpenter received her Cap.

Mrs. Bruce Greenwood was also in Edmonton last week.

At the monthly meeting of the W.I. plans were made to sponsor the annual St. Patrick's dance to be held in March. The president Mrs. T. Oakes gave a very interesting paper on the work of the United Nations.

Mr. and Mrs. D. Reid and daughter of Edmonton are visiting at the home of Mrs. Reid's parents, Mr. and Mrs. O. Overbo.

A number of Kinsella members attended the Masonic installation meeting held at Wainwright on Thursday night, the 24th.

The Kinsella curling rink is now organized and they started the regular draw on Tuesday.

Jarrow News

Mr. and Mrs. Norman Stauffer and family of Tofield reviewed old acquaintances in Jarrow on Sunday.

Mr. Ted Skori was a city visitor on Monday.

Mr. and Mrs. Albert Firkus and children were city visitors during the past week.

Services in Jarrow United church Sunday, February 10 at 2:30 p.m. Rev. Inglis officiating.

Mr. and Mrs. Phil Holt of Willowview district had as visitors last week, Mr. and Mrs. C. Archibald, Mrs. H. Larson, Mr. J. Archibald, Mr. Louis Archibald of Craik, Sask., also Dr. Max Saville and family of Wainwright.

The Batts Junior Red Cross sponsored a whist drive at the school Saturday, January 26. First prizes went to Mr. and Mrs. Ralph Mark while consolation winners were Mrs. Phil Holt and Mr. George Bridgeman.

Shirleyanne Meakins entertained a number of friends, big and little, on Sunday, January 27 at a gala party in honor of her tenth birthday. Much fun was had by all tobogganing, skating and hockey.

Darlene Overbo was a weekend guest at the W. R. Meakins home.

Foreign countries increased their sales in the Canadian market by 26 percent in the first 8 months of 1956 compared to the same period of 1955.

Local News

Mrs. Helen Whidden is an Edmonton visitor this week to see her mother who is still in hospital.

We understand that Mr. Cecil Lockhart got a most pleasant surprise on his birthday when his parents presented him with a 1957 Plymouth. Many happy returns, Cecil, and happy motoring.

Irma friends wish F/O Donald Fischer of the RCAF the best of happiness and good fortune at his new post in Germany where he expects to be stationed for the next four years.

Be sure and attend the National Youth Week service at the Irma United church next Sunday morning.

A former Irma resident, Mr. Wm. MacKay, spent the Christmas and New Year's holidays at his old home near Iverness, Scotland. This was Mr. MacKay's first trip back for 29 years. He has had a busy time renewing old acquaintances and visiting with his mother and his brothers and sisters. His father passed away 5 years ago. He comes of a large family, 7 brothers and 6 sisters, 11 of which still survive so there have been plenty there for him to talk over old times with. Before coming to Canada Mr. MacKay was employed in Iverness at the firm of Walker and Scott, timber merchants. However he has not asked for his old job back. He sailed for home on January 23 and before leaving he gave a glowing report on Alberta and its blessings and privileges to all his friends in Scotland.

Mr. and Mrs. R. C. McFarland are Edmonton visitors this week.

Mrs. J. C. Savard has some lovely African Violet plants all in bloom which she will give away to anyone who would like to have them. Also she has five full grown rabbits to give to anyone who will give them a good home.

The WMS hope to have Miss Hamilton, a United Church missionary from Japan, to speak in Irma on February 5. It is not possible to give full details of this meeting at time of writing but WMS members will be most glad to inform anyone interested as soon as the details are worked out.

The next meeting of the Irma W.I. will be held at the home of Mrs. R. O. Larson on Thurs., February 7 at 2:30 p.m. Hostesses, Mrs. Thurston, Mrs. J. Rae, raffle, Mrs. Larson; topic, Canadian Industries and Agriculture, Mrs. Parsons; Roll call, Donation of a dish towel.

BORN to Mr. and Mrs. Hugh Elliott at the Wainwright hospital on Friday, January 25, twin girls, Donna Jean, 6 lbs. 11 oz., Doreen Aletha, 5 lbs. 13 oz.

The WMS will be tying a quilt in the United church parlor on the afternoon of February 11.

Word has been received of the death of Mr. R. L. Dykes who passed away suddenly in Edmonton. Mr. Dykes was the husband of the former Lonelle Coffey of Irma. Her friends here extend their sympathy in her bereavement.

Mr. and Mrs. Johnny Randall and small daughter are moving to the city this week.

Mrs. Mellett and Barbara spent last week-end visiting her sisters at Daysland and Strome.

Congratulations to Jeannette Pond and Lily MacKay who received their taps at a recent capping ceremony at the Royal Alex hospital, Edmonton.

Mr. A. C. Milne is attending an agents meeting of the UGG in the city this week.

It was interesting to see Billy Mason mentioned as one of the top players in the recent hockey games between University of Alberta Golden Bears and the University of Sask. Huskies. Two games were played in Edmonton and two in Saskatoon with the Golden Bears winning all four.

Population of the city of Toronto declined by 13,656 in the 1951-56 period; at the same time population of the city's metropolitan area increased by 230,435.
